

Ready for your next mountain bike adventure?

+ The Grächen bike region will make your wildest mountain biking dreams come true! Promise! And with your **Best-Time PLUS Ticket**, you will have even more fun on the trails.

Grächen-Brig

This stage of the Valais Alpine Bike route lets you follow in the wheeltracks of the racers participating in the UCI Mountainbike Marathon World Championships that took place here in 2019. You will ride sections of the Mattsand Enduro Trail and the Matterhorn Valley Trail. Once you arrive in Stalden, a short cable car ride will take you to Gspon. From the top station, the scenic Gspon Panorama Bike trail leads through Sädolwald forest and – after some mud, sweat and tears – rewards you with the mesmerizing Gibidumpass and an idyllic lake. The alpine surroundings of this high plateau beckon riders to take a generous break and enjoy the view of the Valais Alps. Next up is the wild Nanztal valley, and a steep, but flowy descent takes you to your endpoint, Brig, before you know it.
