

**Peaks, glaciers and mountain lakes as far as the eye can see: The journey to your Matterhorn experience will never cease to amaze!**

On Europe's highest open-air rack railway, you will be transported directly to the highest point on the Gornergrat (Gorner ridge) at 3100 meters above sea level.

From there, you will have a view of not only the Dufourspitze, Switzerland's highest mountain, but also 29 other four-thousand-meter peaks.

Back in Zermatt, you can go for a leisurely stroll and get a taste of the region's culinary highlights to round off your "rocky" adventure.

# Matterhorn experience from Grächen

Probably the most famous mountain in the Alps, the Matterhorn is on every bucket list and is only waiting to be scaled by you. Whether you choose to do so on a multi-day trek with overnight stays at huts or while comfortably sitting on the Gornergrat railway – we can guarantee you: The memories you will make of the Matterhorn are forever!

Let's go!

## Hiking tips

### 1 360°-Loop at the Gornergrat

Your relaxed circular trail starts at the viewing platform behind the Kulmhotel with its stunning Alpine panorama. You'll have a fantastic view of the Monte Rosa massif and with it, Switzerland's highest mountain, the Dufourspitze. And, with a bit of luck, you might even spot some ibex nearby! The Gorner glacier, the second largest glacier in the Swiss Alps, stretches just below.

### 2 Riffelsee Hike

Visiting Lake Riffelsee is one of the highlights of your Matterhorn experience. The region certainly lives up to its reputation as one of Switzerland's most beautiful places. In still air, the Matterhorn is reflected in the lake's peaceful waters, making it one of the most coveted photo motifs in Switzerland. Surrounded by rare alpine flowers, you can enjoy the refreshing mountain air and admire the spectacular view of the Matterhorn whose peak takes on a vibrant red during sunrises and sunsets – a first-class natural spectacle.

### 3 Themed trail Gornergrat-Riffelberg

On the themed trail "Meet the Sheep", you can learn exciting tidbits about the Valais Blacknose. Eleven stations marked by cairns are placed along the trail to Lake Riffelsee and on to Riffelberg. The QR codes on the cairns are the key to interesting videos and facts about the Valais Blacknose. You will also learn facts about grazing, flora and fauna at the Gornergrat, as well as about the Gorner glacier.
